

Transfer Test analysis by Primary school (numbers) - September 2022 intake Autumn update

This data is presented with the permission of The Buckinghamshire Grammar Schools.

Introduction

Pupils attending LA primary schools in Buckinghamshire are automatically registered for the transfer tests unless their parents advise the Headteacher that they do not want their child to sit the test. The parents of children attending all other schools register their child to take part in the testing process.

The transfer tests are usually taken in the autumn term when a child is in Year 6. The child's final score is taken to be a standardised score known as the secondary transfer test score (STTS).

This is the score used to see whether a child has reached the qualifying standard for a grammar school. If a child does not achieve a qualifying score, parents can ask for a selection review.

The review is considered by a panel of Headteachers. If they find evidence to demonstrate that the child is suitable for grammar school they are able to qualify that child, who is then considered qualified for admission to any Buckinghamshire grammar school.

Should the parents of a non-qualified child feel that their child is suitable for grammar school, the right of appeal to an independent panel is triggered on 1 March when a place is refused at a preferred grammar school. Parents are able to appeal for a place at a particular grammar school whether or not they have been to review.

If the panel subsequently qualifies the child, the qualification is for that particular grammar school only. It is for this reason that appeal qualification statistics are not included in this analysis. It should be noted that the decision of an appeal panel is final and legally binding on all parties.

Objective

To determine the number of children by gender in (1) Bucks maintained primary schools and (2) independent schools and (3) out of county schools who:

- i) Took the transfer test (by using to determine the % pupils who qualified gives a more realistic comparison with out of county schools)
- ii) Withdrew from the transfer test.
- iii) Qualified for a grammar school place by achieving a STTS score of 121 or more.
- iv) Qualified for a grammar school place through a successful review.

Assumptions

Admissions information is correct as at 26 October 2022 and is extracted from ONE.

The data includes all Year 6 pupils in Buckinghamshire maintained primary schools and pupils from Academies and independent / out of county schools that are going through the admissions process to apply for a Buckinghamshire secondary school place.

A pupil who has withdrawn is one who has opted not to take the test.

A pupil who has taken the transfer test is deemed to have qualified if a score of 121 or more has been attained in one of the tests.

The abbreviations for school types are as follows - J = Junior, C = Combined, S = Special

The abbreviations for Area are as follows - AV = Aylesbury Vale, CSB = Chiltern and South Bucks, WYC = Wycombe.

*Abbey View Primary Academy and Kingsbrook View Primary Academy are new schools and Dagnall School and Great Kimble School were previously infant schools who have recently increased their age ranges to take Junior pupils. Their year groups are being phased in and they did not have Year 6 pupils at the time of the Transfer test.

Data cells with fewer than 5 pupils are shown as "<5".
